If you've ever attended one of Dannion's presentations and had questions you REALLY wanted to ask, but didn't get the opportunity, this event is for you!

Dannion Brinkley is an international best-selling author. In 1994 Dannion's first book (with Paul Perry), *Saved by the Light*, became an instant success. It was closely followed by his next best seller, *At Peace in the Light*, in 1996. The third installment of his Light Trilogy drawing from his personal voyage and near-death encounters is entitled *The Secrets of the Light: Spiritual Strategies to Empower Your Life...Here and in the Hereafter* (Heart Light Productions) and was released in 2004. Co-authored by Dannion's wife, Kathryn Brinkley, *The Secrets of the Light* shares 7 powerful truths that will compel you to re-evaluate your current belief system to assist you in connecting to higher awareness.

Dannion has survived insurmountable odds including two lightning strikes, open-heart surgery, brain surgery and a massive grand mal seizure. Many concur that Dannion is one of the world's most incredible near-death survivors, truly a "walking miracle"!

Jeffrey Allen is one of Sedona's most sought-after clairvoyants, spiritual healers, mediums and guides. He also teaches personal development classes on intuition and healing.

Join us for this afternoon of provocative, but deeply spiritual information as Dannion and Jeff share their insights, gifts and life-changing experiences.
