

4th Annual Gift in Shift Conference
January 15-16, 2010:
Change Without Challenge: The Quantum Shift!
Held in Sedona's mystical Red Rocks
Sedona Creative Life Center

Sponsorship Opportunities

Attendees of the Gift in Shift Conferences seek a higher consciousness as they explore the metaphysical, science and the evolving consciousness of the human race. Nationally recognized authors and experts provide life-changing insights to hundreds of people seeking life transformation.

2010 Quantum Shift Conference: international bestselling author **Dr. Joe Dispenza**, featured in "What the Bleep..." will present *Breaking the Habit of Being Yourself – How to Lose Your Mind and Create A New One*

Sponsors receive national exposure through our marketing and "partner" promotions (including 10 million email impressions), plus podium acknowledgements and a special Sponsor Display table. With our intense print and Internet marketing featuring our sponsors, the benefits of image-building and recognition extend far beyond the event itself.

2010 Quantum Shift Conference Opening Keynote speaker: international bestselling author **Gregg Braden**, author of *Fractal Time, The Spontaneous Healing of Belief, The Divine Matrix, The God Code, The Isaiah Effect and others.*
