

# GLASTONBURY, UK: Sacred Journey of the Heart

*A Transformational Journey to the Lodestar of your Soul  
and STONEHENGE CEREMONY*

With **Ronna Prince**, Channel of the Ascended Masters  
and **Dr. Donald Backstrom**,  
Chiropractor and holistic health physician

**July 12 -20, 2009**

Special Guest, **Nicholas R. Mann**, Glastonbury expert  
and author of "Energy Secrets of Glastonbury Tor"

Ronna and Donald combine their work to offer a unique blend of mind-body-spirit-heart healing and integration. During their workshop and sacred sites tour, you will have an opportunity to experience powerful heart openings in a variety of sacred places, including underground Neolithic ceremonial chambers, the star portal of Stonehenge and the Chalice Well gardens. You will learn about how sacred geometry and ley lines alter your

consciousness and you will activate your own healing powers and portals. With our local guide, you will enjoy the stories of the Arthurian legends and the Druids, as well as the earliest Christians as they searched for safe haven, and found Heaven on Earth in the

mists of Avalon. From the ancient stone circles to Bronze Age castle-forts, to the healing waters of Bath and the Chalice Well, to the gothic cathedrals of Great Britain, your journey will be transformational. Ronna and Donald will provide you with the tools of consciousness to be fully aware of your true purpose in returning to this ancient place of connection; the Goal is remembering all of who you are and in so doing, transforming your walk on earth to the Lodestar or light that guides you home.

**Your tour guides:** Ronna and Donald have been leading Spiritual Retreats in Sedona, AZ since 2005. After visiting Glastonbury last summer, they were inspired to bring a small group back to this heart-centered place. As teachers, they offer experience, compassion, humor and fun. They care about individual connection – small groups and heart-led events are their forte. Dr. Backstrom's master's degree in psychology and his day-to-day practice as a holistic health physician combine synergistically with Ronna's spiritual gifts of accessing clear information from the Ascended Masters.

**Ronna Prince** has experienced clairaudience and clairvoyance since early childhood, consciously receiving messages from spirit guides since age 13 when an illness transformed her life. She has been channeling the Ascended Masters for individuals since 1997 and leads regular group channelings and meditations. She channels many Masters in balanced male/female partnership. Her primary guides are Kuthumi and Pallas Athena. Ronna is the author of *Lightworkers Guide to the Magic Kingdom*, and her upcoming book, *The Law of Confluence and 2012*, as well as extensive channelings by Kuthumi, World Teacher for humanity, provided free of charge on her websites: [www.consciouslightchannel.com](http://www.consciouslightchannel.com) and [www.azlivinglight.com](http://www.azlivinglight.com). Ronna is a certified Aura-Soma® Practitioner, a numerologist, a Reiki Master Teacher, an esoteric Tarot interpreter, an SRT Practitioner and a Certified Spiritual Counselor.

Dr. Backstrom is a chiropractic physician practicing in Glen Ellyn, Illinois. He is also an acupuncturist, nutritionist and an integrative practitioner of a myriad of holistic health techniques. He has a MS in Clinical Psychology and hundreds of post-doctorate hours in a variety of health and wellness fields. He is currently enrolled a post-doctorate program as a diplomat in neurology.
